Dear Marc & Marlene,

First and foremost, I want to let you know how much I value your business! Second, I hope the dust has had a chance to settle from the move and you are starting to enjoy your new surroundings. Last, but not least, I need your assistance in order to continue to improve the services that I offer. Please complete the following survey and return it to me at your earliest convenience. Naturally, I love compliments but please give me your suggestions for improvement too. Your comments will help me to maintain the high quality standards that I have set for myself.

Thank you in advance for your time and consideration.

Sincerely,

Rosalyn Miller
